MEETING MINUTES on March 19, 2020 Continued

Marsha also thanked the subs that came to play on Thursday and said that they could also use more subs. Marsha informed everyone that if you know you are not going to come back for next year to let her know since she has an ongoing list from the sub as to who would move up for permanent play from her sub list. Some of the subs thanked the club for letting them play and learn the game as well.

Nancy Bellavance informed everyone that Sally Shannon who was the Tuesday manager will not be returning and asked if anyone would volunteer to take this over. Gail Kantz volunteered and will now be the manager for Tuesday.

Ellie Johnson gave her social report and informed everyone who has been signed up for next year's luncheons that start in November and are as follows:

November – Tammy Gibson (did not know the other person)

December's Christmas Party – Ann Hall, Marsha Benedict, and Linda Tatu

January – Frieda Smith and Nancy Bellavance

February – Gail Kantz and Sue Soderberg

March – Linda Tatu and Gloria Meyers

The annual banquet has not been decided on since there were quite a few members absent from the meeting. Ellie informed everyone that play being held at Port St. Lucie high school in June which is Oliver has been cancelled and they may do it in the fall, but is not sure yet. If they do not do it in the fall than they do not plan on doing this play at all. Ellie mentioned the next play would be in January, but does not know what it is. If you are planning on attending then she would need your money in October so she could turn it in on November 1st to get the tickets. The club agreed to still do the charity for a family at Christmas rather than exchanges gifts and Ellie will find out in October who the family will be and will let everyone know when she gets the information. Ellie also informed everyone that lives here all year round that the luncheons for the summer has been postponed at this time.

Marsha Benedict informed everyone that if they still would like to play to just show up on either Tuesday or Thursday and numbers will be drawn to determine who plays against whom.

Marsha informed everyone that Fun in the Sun won the tournament against the Bocce Bells 5 to 1. Nancy informed the club that one of the ladies that left the tournament from Bocce Bells did personally apologize for leaving. Marsha said that the captains from the Bocce Bells did apologize for their team mates leaving as well. Marsha mentioned that there is no play with the men at this time since the festival has been cancelled, but may still do it in the fall as the men and Fun in the Sun still would like to have the tournament.

Nancy asked if there were any concerns or good news to report no one had anything except Nancy; she wanted to let members know that whomever is flagging and doing the judging should not constantly be questioned regardless if they are right or wrong; you are not to question the call they make. Someone asked what happens when the balls are tied it was explained on how the balls cancel each other out and the team that threw last would throw again; example if red threw and balls tied then red throws again.

Nancy adjourned the meeting at 12:30 PM.

Respectfully submitted by:
