NOTICE TO OWNERS:

OCEAN CABANA GRILLE LEASE AVAILABLE

July 10, 2020

It is with sadness that we must inform our residents that Bob Benard, of the Village Grocer has decided to vacate the lease of the Ocean Cabana Grille due to the uncertainty of the pandemic and the many other demands he has in operating his other businesses that serve our community. We are sure the community joins us in saying “thank you” to Bob for the past 13 years of Cabana Grille service to Nettles Island.

The Nettles Island board is dedicated to find the right replacement to provide beverage, snack and lunch service to our residents.

At this time the Nettles Island Board of Directors would like to open the invitation to our Nettles community for those who have a background and experience in the food and beverage service industry, preferably with ServSafe Certification and capable of obtaining the required licensing and insurance to enter into a lease agreement with Nettles Island, Inc. We are looking for someone dependable who would agree to serving beverages, snacks and lunch, with an option for breakfast, while maintaining regular daily hours in season and on weekends during the summer months, weather permitting, of course.

We would like to open this opportunity to our local community first. If a lease agreement is not fulfilled with a qualified party who can agree to our terms, we will then advertise outside of the Nettles Community. All interested parties should submit an application to the Nettles Island Board at the address or email shown above. Please include your qualifications and work history.

The Nettles Island Board of Directors
