Re: Covid-19 & Nettles Island

Dear Unit Owners & Residents,

As you may have heard we have a few confirmed cases of Covid-19 here on Nettles Island. I want to assure you that we are taking every precaution we can to protect all of our owners and guests here.

If you are feeling ill please stay home and recover for your protection and others. If you are concerned about being around others please avoid them as much as possible. If you go into any of our facilities you must wear a face mask. If you are outside please observe the 6 ft social distancing and if you are in close proximity to others wear a mask.

The Nettles Island Nurses have provided hand sanitizer which is located at different locations around the island. Please use it or carry your own when in public.

We cancelled the Town Hall meeting and will be cancelling the Board meeting scheduled for next week.

If you feel you need to get tested there are several places off Nettles Island however that is a personal thing and people should not be pressured into it. Pray for those affected and their families for a quick recovery. Together we will get through this.

Sincerely,

A handwritten signature in black ink, appearing to be "C. Jackson", written in a cursive style.

Charles Jackson,
President

Nettles Island Board of Directors
