NOTICE TO OWNERS & RESIDENTS

FPL WORKING ON SITE!

April 20, 2020

As of Monday, April 20, 2020, FPL will be on site to replace four power poles in the vicinity of the four (4) way intersection at the entrance to the Recreation Area. This work will require the south side of the Main Blvd. near the Rec Area being blocked on Monday and the entire four (4) way intersection will be blocked on Tuesday, April 21, 2020 to allow for a large crane to be placed at the intersection. FPL will have their contractors providing traffic control.

Consequently, we must ask that no vehicles enter the Recreation parking lot starting Monday evening through Wednesday morning. Please respect the barricades. Golf carts can access the parking area via the sidewalk paths from the east, north and west side of the parking area during this time.

Thank you!
Management
