**April 29, 2020**

**TO: Notice to All Residents of Nettles Island**

**FROM: Nettles Island Board of Directors**

**RE: Beach Re-Opening/New hours**

The Board of Directors wish to thank those residents who took the time to contact members of the Board by email, text or phone to express their desire to access our Ocean during the evening in accordance with the hours posted by St Lucie County.

We have adjusted our hours starting on Thursday, April 30th as follows:

- Beach access will be available through the main gate from 6:00AM to 7:00PM.
- Residents will be asked to follow the guidelines that were printed in our previous notice dated April 28, 2020.
- Should you wish to access the ocean after hours, you are asked to stop at the Guard Shack where you will be required to give your name and an official pink tag to the Security personnel on duty, who will in turn, give you a key to unlock the pedestrian gate.
- Upon returning from the beach please lock the gate behind you, stop at the Guard Shack, return the key and retrieve your pink tag.

The first day was a great success with residents enjoying our beautiful sunrise, walking, swimming, fishing and most important, "smiling."

Thank you for being courteous to our staff members who were welcoming you back!
