NOTICE!

TO: OWNERS, RESIDENTS AND GUESTS RE: OCEAN POOL & HOT TUBS

November 25, 2020

As we stated in our notice on November 6th, 2020, we were very hopeful, but hesitant to promise that our Ocean Pool would be open in time to allow our residents to enjoy the Ocean Pool by the Thanksgiving weekend. We know how much this means to many of you and only wish we were bringing you better news.

The job of reconnecting all of the plumbing and electrical components, chlorinators, pumps and heaters, which keep our pool sparkling bright and just the right temperature, is going to take longer to complete.

We need to ask that you please bear with us until the latter part of next week. *If all goes well*, the Ocean Pool could possibly open by Friday, December 4th. If there delays beyond December 4th, we will advise you through an email, such as this one, and we will post a notice in the Public Info section of the Nettles Island condominium website. See link above.

We are fortunate to have two pools and the Rec Hall Pool is open, but not the Hot Tubs. The eastern portion of the Ocean Pool deck and restrooms will remain open during regular operating hours. The eating area will be accessible and tables, chairs, and lounges will be available on the eastern portion of the pool deck. The umbrellas will be available weather permitting. The beach access will remain open.

We would like to take this time to wish everyone in Nettles Island a Happy and Healthy Thanksgiving from all of the staff of Nettles Island and hope you find many ways to enjoy your Holiday.
