NOTICE!

TO: OWNERS, RESIDENTS AND GUESTS RE: OCEAN POOL & HOT TUBS

December 3, 2020

We are pleased to announce that the Ocean Pool will be opened Friday, December 4th, 2020 for swimming during normal operating hours. All necessary pool equipment is restored and functioning normally. However, we feel that we must warn our residents that the pool temperature will be much cooler than our standard temperature for a brief period. It will most likely take a day or more to heat up to our required temperature after this cold spell. In addition, we must replace one of the older heaters (we have three!), which is no longer serviceable. We plan to replace this heater next week.

There will be some additional construction and maintenance activity on the Ocean Pool pump room building next week and possibly a bit longer. We humbly request, that you respect the caution tape and please do not engage or interfere with contractors on site, who will be continuing to work in this area. At this time the Hot Tubs at the Rec Hall Pool will remain closed.

We are sincerely grateful for everyone's patience and understanding during this tedious and complex project and hope to see our residents enjoying our beautiful Ocean Pool.
