To: All Residents & Guests of Nettles Island

Re: Coronavirus

The Nettles Island Board of Directors is staying abreast of the updates concerning the Coronavirus. Florida is under a state of Emergency, per the Governor. As of today the Governor of Florida has recommended that mass gatherings be postponed or cancelled in an effort to stop the spread of the disease. The NI Board is suggesting that Clubs and other Organizations of Nettles Island consider cancelling any upcoming major event(s), but will allow each group to make this decision on their own at this time. Should conditions worsen or updates indicate otherwise, the Board is prepared to make decisions in the best interest of the Nettles Island residents.

The following links are those we are following for up to date and accurate information regarding the Coronavirus. We encourage all residents to stay informed and take precautions recommended by the CDC and Florida Department of Health.

Wishing all residents and guests of Nettles Island the very best of health always!

Thank you,

The Nettles Island Board of Directors
