To: All Residents & Guests of Nettles Island

Re: Coronavirus

As advised by the CDC and Florida Department of Health, we urge you to practice social distancing of six feet (6') and limit gatherings of no more than ten (10) or less and follow all other safety precautions as listed on the websites by these agencies (see links below). We will continue to practice sanitation of accessible areas as long as our supplies last or are available. All updates will be posted on the bath houses, website and emailed to those who consented to receive email notices from the Association.

For the Safety of all and to prevent the spread of coronavirus, the Board of Directors is implementing the following effective immediately.

Administration: Administrative office will be staffed but closed, and will allow appointments for necessary services only. Please call or email our staff to make appointments for services you may need. Contact information is shown at the top of this letter. Deliveries or appointments for barcodes, trash cans or other items can be arranged by staff members. All payments or documents delivered to the condo office should be by check and deposited in the drop box to the right of the front door. Receipts will be emailed or mailed. Please, no cash payments during this time.

Security: Please contact Security by phone at 772-229-0988 if needed. To limit contact, the Gate House will be closed to all walk up traffic. Drive up only! Ice Machines will be locked until further notice.

Recreation Dept: The Rec Hall will be open from 9am to 5pm. In keeping with the executive orders of Florida Governor DeSantis, 50% of the tables have been removed and tables are 6' apart in the Rec Hall Café. Take out is encouraged. All children under 12 must be supervised by an adult while at any indoor or outdoor recreation property, which will be strictly enforced. We ask that you limit entry of the rec hall building unless absolutely necessary. Cash payments will no longer be accepted and fees are being waived for kiosk computers and printer. Staff will sanitize computers after each use. Merchandise sales are currently being stopped. The Library, Second

Floor of the Rec Hall and Exercise room remain closed. Any questions regarding Recreation Department, please call 772-229-1650.

Pools: Pools will be open from 9am to 5pm and pool furniture and bathrooms will continue to be sanitized frequently as long as supplies last. We encourage social distancing and suggest suspending any activities of groups involving 10 or more.

Maintenance: The Maintenance Department will continue to respond to all outdoor maintenance requirements and services as needed. Please be advised that the Employee Entrance to the Maintenance Area is closed to all unless authorized by the Operations Manager. The Operations Manager can be reached by calling 772-229-2930.

Recycle: The Green Team has closed and suspended recycling until further notice. No entry to this area will be permitted until further notice.

These are trying times for each of us as we make the necessary changes to slow or stop the spread of this virus. We appreciate everyone doing their part to make adjustment and to follow recommendations. We look to all of you to help us emerge from this pandemic victoriously! Let us all practice patience and kindness toward each other in the Nettles spirit to see this through.

Thank you,

The Nettles Island Board of Directors
