IMPORTANT NOTICE RE OCEAN POOL MAY 14, 2020

Due to a recent plumbing leak at the Ocean Pool ladies restroom ceiling – which was promptly repaired – it is necessary to call out a professional disaster restoration contract to dry out the wall and ceiling voids, remove damaged and unsalvageable wall and ceiling materials, apply anti-microbial agents to the wood studs...

As a result, the ladies restroom will be out of order while restoration work is in progress.

In order to try to keep the Ocean Pool open, arrangements are quickly being made to utilize the men's restroom as a unisex restroom.

Instructions will be posted at the ocean pool.

Please be careful to follow the posted instructions, so you may continue to enjoy the pool.

Thanks in advance for your patience and cooperation.
