

Fort Pierce • Port St. Lucie • Hutchinson Island

### St. Lucie Tourism Partners,

**As of today, October 30, 2018, all St. Lucie County beaches are now open.**

Beaches on North Hutchinson Island were closed since Monday, Oct. 22 due to complications from red tide.

St. Lucie County staff will continue to collect water samples as some beaches are still showing low concentrations of red tide. However, lifeguards have not experienced any signs of red tide in recent days.

Businesses or visitors that are curious about beach conditions can call St. Lucie County's Beach Conditions Hotline (772-462-1421) for daily updates.

Other important numbers include:

**Red Tide Status Reports:** <http://myfwc.com/redtidestatus>

**Red Tide Health Concerns:** 1-800-222-1222 (Florida Poison Control Center)

**Report Fish Kills:** 1-800-636-0511 (FWC)
